

### Approved Pulpit Supply Ministers

The state office maintains a list of pulpit supply ministers. If you are in need of a minister to speak at your church, please contact Justin Davis in the state office at (304) 763-1118 or [justin@wvcog.org](mailto:justin@wvcog.org) for a list of these ministers. To maintain the privacy of our ministers and to ensure you receive the most current list we no longer publish contact information for pulpit supply ministers online.
